*Call to Worship:		Ron Ridge
We are a community of faith that has been created by the love of God. We are the people who have been set free by the world of forgiveness in Jesus Christ, and are therefore a people called to reach out to the sojourners in our midst and in other lands, people whose lives cry out for the warm embrace of fellowship. We have come not to exalt our own goodness, but to praise the holiness of God. We have come not to boast of what we have done, but to proclaim the redeeming work of Jesus Christ by extending the hand of community to refugees, displaced persons and asylum seekers. <i>With all our being, we will praise God and tell of God's goodness in our acts of kindness and love toward the "least" among us in our times.</i>
