**Benediction:**

Get on out of here, little children, for you and we and all the people of the world are God's children.

Get on your way, brothers and sisters together, and of all people, because of Jesus who names and claims us all as his beloved siblings.

Get yourself out of this sacred place, pushed by the spirit who blows when and where she will, making all places sacred.

Go and do some more singing and talking, laughing and crying, hugging and holding, by which you are strengthened to be tellers of truth, bearers of justice, offerers of resistance, so becoming part of the great cloud of witnesses.

Go also to do some sleeping and resting, anticipating tomorrow, which will be another Easter day of God's wonderful surprises and God's true successes.

Go now, people of faith.

Amen!
